

THE HEALTHPLUS DIFFERENCE

HealthPlus' integrated health management program enables members to take a more active role in managing their health and wellness.

HEALTHIER U

Our year-round program for members starts with a wellness assessment and includes interactive online wellness programs, access to health coaches, community events, quarterly wellness challenges, member discounts and more!

MEMBER DISCOUNTS

Members receive exclusive discounts to Weight Watchers, Anytime Fitness, Moosejaw and more!

ADVANCED ILLNESS MANAGEMENT

Essential care coordination and support for members and their loved ones during times of chronic or life-limiting illness.

PREVENTIVE SERVICES

Immunizations, vaccines, check-ups, screenings, and physicals — all covered benefits essential to good health.

PHARMACY MANAGEMENT

Our personal approach focuses on the integration of a member's medical and pharmacy information to ensure the appropriate and affordable use of medications.

SOCIAL SERVICES PROGRAMS

Social workers will help members in the medical case management program find community resources and help coordinate their care if they have special needs.

MEDICAL CASE MANAGEMENT

This program assists members who are seriously ill, have complicated medical needs or have experienced multiple trauma injuries that require a high level of hospital care and services.

CHRONIC CARE PROGRAMS

Care counselors help members suffering from cardiovascular conditions, heart failure, diabetes, asthma or chronic obstructive disease (COPD) and other conditions requiring short-term care management services.

BEHAVIORAL HEALTH CASE MANAGEMENT

Our Behavioral Health team helps members enrolled in our case management program who are suffering from depression or a substance-use disorder.
