

Great News! HealthPlus is bringing Cofinity back!

Exclusively for FirstMerit Bank employees, effective January 1, 2015

We are pleased to announce that HealthPlus is RESTORING your PPO network to what you had in 2013. This means MultiPlan/PHCS will no longer be used, and the networks in place for 2013 will be reinstated exclusively for FirstMerit Bank employees effective January 1, 2015. These networks are described below.

All members will receive new ID cards featuring these network logos after open enrollment. Please be sure to use your new ID card after January 1, 2015.

Through December 31, 2014, HealthPlus will continue to process claims for affected members in the northern region of the lower peninsula to reflect in-network member cost sharing.

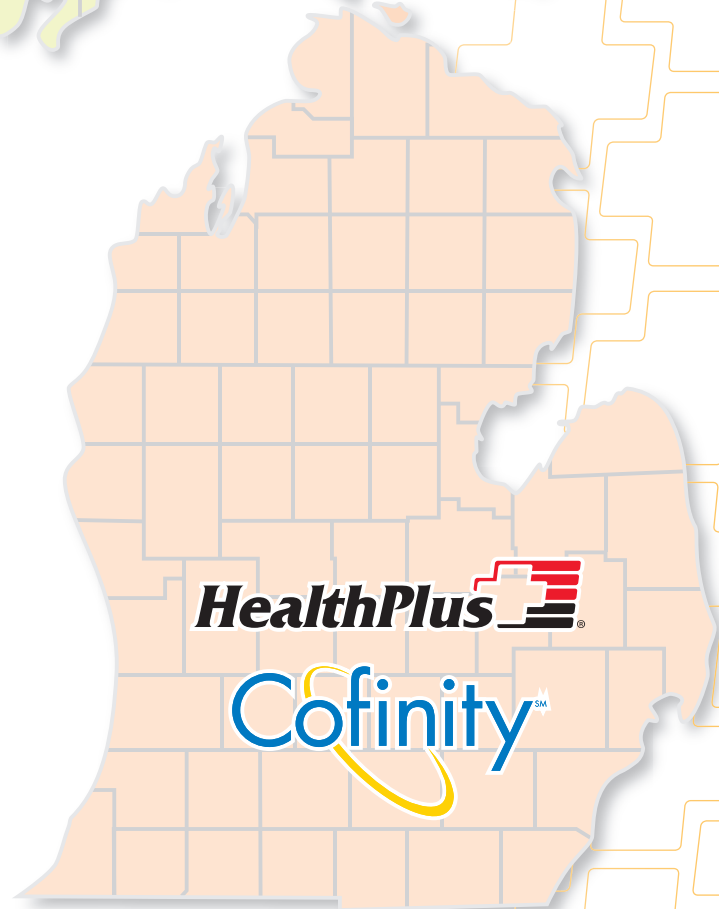

We apologize for the inconvenience and hope this change will restore your confidence in HealthPlus as your partner in good health!

Lower Peninsula: HealthPlus and Cofinity networks

Upper Peninsula: HealthEOS network

Outside of Michigan: First Health network
